## TEDxSRMU Women 2017

TED (Technology, Entertainment, Design) is a global community, welcoming people from every discipline and culture who seek a deeper understanding of the world. TED believes passionately in the power of ideas to change attitudes, lives and ultimately, the world. TEDWomen brings together a global community of people interested in exploring how change begins, with innovative thinkers who catalyse ideas towards action. TEDWomen 2017 was organised first in New Orleans, LA, USA during November 1-3, 2017. Over the past few years, TEDWomen and TEDxWomen have launched some powerful ideas into the world.

In this series, a full day TEDWomen Conference on the theme **BRIDGES** about the power of women and girls to be creators and change-makers was held at Shri Ramswaroop Memorial University under the banner of “TEDxSRMUWomen” on 8th November, 2017. Four outstanding women spoke on the theme “BRIDGES”. These illustrious women were:
