ABOUT US

The Institute of Bio-Sciences & Technology

It was started as a Faculty of Biotechnology under the aegis of Institute of Engineering & Technology in 2012. After two successful years it was elevated to Institute of Bio-science & Technology in 2014. Initially, Faculty of Biotechnology started with B.Tech. in Biotechnology (4-years) programs and subsequently it broadened into Institute of Bio-science and Technology with the courses: **B.Tech (BT), B.Sc. (BT), M.Sc (BT), M.Tech (BT), M.Phil (BT), Ph.D. (BT)** with specialization in Bioprocess Engineering/ Molecular Biology/ Immunology.

The Lecture Series

To popularise Biotechnology activities in India, Department of Biotechnology (DBT), Government of India has provided financial assistance for conducting the lecture series in SRMU. These lecture series cover a wide spectrum of topics which include applications of Biotechnology in various sectors like Biomedical and agricultural research.
