

Registration Fees

All delegates are requested to register by communication through email given below:

Email: dmiraj.me@srmu.ac.in

The registration will be confirmed by the organizer and communicated to you. Pay the registration fees through cash at SRMU Campus or DD payable at Shri Ramswaroop Memorial University, Barabanki with details of

- Name
- Designation
- Name of Institute/ Industry/ Organization

Industry Delegate: Rs. 2000/-

Faculty : Rs.1500/-

Students: Rs.1000/-

Total Number of Participants: 25

Accommodation

Limited accommodation is available at SRMGPC premises (Guest House) on request @ Rs.500/- per day per person.

Important Dates:

Last date of receiving applications: **14 November 2018**

Notification about selection: **15 November 2018**

Confirmation from participants: **30 November 2018**

Organizing Committee

- Prof. P.C Tripathi (SRMGPC)
- Prof. R.K Porwal (SRMU)
- Er. Nitesh Asthana (SRMU)
- Er. Vikram Singh (SRMU)
- Er. Rohit Kr. Singh (SRMU)
- Er. Prince Shukla (SRMU)

National Advisory Committee

- Prof. Peeyush Mehta, IIM, Calcutta
- Prof. Shantanu Bhattacharya , IIT Kanpur
- Prof. Ramesh Singh, IIT, Bombay
- Prof. Priyanka Verma, NITIE , Mumbai

International Advisory Committee

- Prof. Shantanu Bhattacharya, S.M.U, Singapore.
- Dr. Sharukh Irani, Lean & Flexible LLC, USA

About the University

SRMU is a confluence of academic, cultural and intellectual resources. SRMU seeks to achieve the highest levels of distinction in the innovation and transmission of knowledge and understanding. Nine institutes consisting of 17 faculties, offer a wide spectrum of choice for the students to choose undergraduate, post graduate and doctoral programs in Engineering, Architecture, Bio-Technology & Bio-Sciences, Management, Commerce, Economics & Computer Applications, Journalism & Mass Communication, Legal Studies, Basic Sciences, Humanities and Education. SRMU takes pride in its excellent faculty base, which is from leading Central Universities and premier institutes like IIT and NIT etc.

Introduction:

Expanding global competition, rapidly changing markets, and world wide spread of advanced manufacturing technology are creating a complex and uncertain environment. As customers become more demanding and global competition intensifies, manufacturer feels the pressure to meet tighter quality, cost and delivery requirements. To effectively respond to these challenges, many manufacturers are striving to become world class competitors. World class manufacturing design, produce and deliver products that delight customers and enable firms to compete the best in the world.

Content:

- An overview of Manufacturing Strategy.
- Introduction to Lean Manufacturing.
- Total Productive Maintenance.
- Business Process Reengineering.
- Benchmarking.
- World Class Quality Management.
- Technological Innovation in Manufacturing .
- Smart Manufacturing
- World Class Manufacturing : International and Indian Scenario.

Objective:

The objective of the workshop is to familiarize participants about the global development in the area of manufacturing, and the system, tool and techniques required for achieving competitive edge through world class manufacturing.

Workshop Schedule:

09:30 a.m to 04:00 p.m with 1 hour lunch break on each day.

Methodology:

The methodology consists of lecture, seminars, hands-on exercises through group /individual assignment, discussion on case studies and industrial visit.

Faculty:

The teaching faculty will constitute experts from SRMU & Industry.

For Whom:

This workshop has been designed to provide delegates with the knowledge and skills required to manage the manufacturing process on a daily basis to achieve operational excellence. Specifically, this workshop is intended for dynamic professional from industry, academic faculty who want to introduce course on world class manufacturing in their respective programme and students from engineering and business management background.
