

## “National Webinar on Oral health =Overall health”

08, May 2020, FoBT, IBST

**Faculty of Biotechnology**, Institute of Bioscience and Technology SRMU organized a national webinar on **08, May, 2020** entitled “National Webinar on Oral health =Overall health”. The event was attended by the faculty and students of faculty of Biotechnology and Faculty of Bio-Science, IBST. **Dr. J. Jannet Vennila**, Professor at Department of Biotechnology, Karunya Institute of Technology and Science, Coimbatore, was the key speaker. **Dr. Tabish Qidwai** and **Dr. Tanvi Jain** were the organizing secretary under the leadership of **Dr. Sachidanand Singh**, Dean FOBT. Webinar includes oral health and systemic diseases, oral microbiome and antimicrobial effects of marine bromophenols. Moreover the webinar was focussed on COVID19. Professor Jannet highlighted the connection between oral hygiene and COVID-19. The webinar was attended by participants from various reputed Institutions of India. The event was found very informative and valuable. Discussions about the importance of oral health and disease protection have been done. The event was ended by the concluding remarks of Dr. Sachidanand Singh, Dean, FOBT and Prof. Mahesh Kumar Basantani, Director, IBST. Vote of thanks was delivered by Dr. Tabish Qidwai, organizing secretary of the event.
