About the University

Shri Ramswaroop Memorial University (SRMU) is a confluence of academic, cultural and intellectual resources. SRMU seeks to achieve the highest levels of distinction in the innovation and transmission of knowledge and understanding. Nine institutes of the University offer a wide spectrum of choice for the students to choose Undergraduate, Post Graduate and Doctoral programs in Engineering (Mechanical, Civil, Electrical, Electronics & Communication, Computer Science), Bio-Technology & Bio-Sciences, Management, Commerce & Economics, Computer Applications, Journalism & Mass Communication, Legal studies, Basic Sciences and Humanities, Education & Research. Serene ambience of the University is conducive for quality education. University outreach involves CSR projects like Apni Pathshala, a free education system for the underprivileged children, National Social Service (NSS), National Cadet Corps (NCC) and Scholarships for deserving students. The University has established IEEE Student Branch to promote IEEE activities.

About the Tech fusion Club

The outline of Tech Fusion Club is “Technical Combination”. Tech Fusion club is basically formed to enhance technical level of students other than regular curriculum. Tech Fusion Club benefits the students for creating products that revolutionize market. Tech Fusion Club helps the students to transform core technologies into application technology. Tech Fusion Club organizes TECH FEST every year and numerous technical events on various occasion as LASER Show, ROBO RACE, Robotics based events etc.
