

About the National Webinar

Subjective Well-being (SWB) is a new field of Positive Psychology. It refers to an individual's own assessment of their happiness and satisfaction with life. Subjective Well-being has been conceptualized as a mixture of life satisfaction and the relative frequency of Positive and Negative Affects. The spread of Corona Virus and Lock down situation has affected almost all spheres of human life specially on Subjective Well-being. Hence Shri Ramswaroop Memorial University has taken initiative to organize this webinar on "Impact of lockdown on Subjective Well-being: Problems and Solutions." The inputs of this webinar will help to define the problems and solutions for the Subjective Well-being in this situation of lockdown.
