

# Placement Cell

The University has a well-organized and equipped placement cell, which is headed by

Mr. Manish Sharma - Director (Training & Corporate Relations)

Our Department has Placement Manager with several years of industries experience and good placement records. They are Mr. TJ Stalin - Manager (T&P), Mr. Sadan Noumani - Asst. Manager (T&P), Mr. Santosh Mishra - Senior Officer (T&P), Mr. Santosh Kumar Sharma - Office Executive (T&P)

Our Placement & Training activities are coordinated by faculties from each department and students.

The Cell also coordinates summer training, projects, industrial visits and industrial interactions through workshop & guest lecturers. Continuous liaison with industry & other development is maintained for campus selection.

High level Placement Steering Committee provides necessary guidance and support to the Placement Cell. Students actively participate in the placement activities of the college.

As the Advisory Body and University Management comprise of alumni and institutions like IITs, IIMs and university of high repute and multinationals, SRMU takes pride in claiming that the University has sound resources and excellent contact with industries and software world. The University is confident in providing a cutting edge to its students at the time of placement in leading organizations.
