Creation of APAAR IDs through Academic Bank of Credits (ABC)

In alignment of National Education Policy-2020, "Academic Bank of Credits" (ABC) is an educational digital platform created to facilitate students' seamless mobility between or within degree-granting Higher Education Institutions (HEIs) through a formal system of credit recognition, credit accumulation, credit transfers, and credit redemption through **APAAR ID (Automated Permanent Academic Account Registry)** and promoting distributed and flexible teaching and learning.

As a part of the 'One Nation, One Student ID' program launched by the government, APAAR ID-a unique 12 digit code is a permanent digital identity which will help students to digitally store, manage, and access all their academic credits, including transcripts/gradesheet, degrees, diplomas, certificates etc. It provides:

- **Academic flexibility & Student mobility:** APAAR ID helps in a seamless integration of skills and experience into a credit-based system.
- **Empower:** APAAR empowers students to choose their learning paths of their choice. Accumulate and store their academic accomplishments, facilitating seamless transitions between institutions.
- **Acknowledge and validate learning achievements:** It simplifies the processes of credit recognition and transfer, thereby streamlining academic progression and recognition of prior learning.
- **Facilitate:** APAAR ensures accountability and transparency in education by tracking student progress and streamlining academic records.
- **Enhance:** It enhances efficiency, removes duplicity, minimizes fraud, and includes co-curricular achievements for holistic student development.

Process of Student Registration on ABC Portal for DigiLocker Account & APAAR ID Creation
