Chancellor's Message

The Annual Report (2021-22) is a reflection of the extra-ordinary multi pronged achievements of Shri Ramswaroop Memorial University in the areas of innovation, research excellence, collaborative partnerships, academic and co-curricular activities besides student's successes and achievements. A holistic perspective with the right degree of flexibility enriched with the unique pedagogy and qualitative teaching-learning ambience is the key driver of our academic policies. The entire course structure is regularly reviewed and updated to keep pace with the fast-changing technology and skills and working in this direction with synergy and combined efforts, it a matter of immense pride for us to see our faculty and staff being recognized for their outstanding achievement during the year 2021-22 and demonstrates our commitment to student development while engaging with all stakeholders. We have forged ahead in providing consultancy to key institutions of the region, promoting governmental initiatives and working for rural development. Our research is creating partnerships with industry, businesses and the government creating benchmarks for knowledge creation and sharing. The SRMU community strives to make a difference to the surrounding region and add value to the state of Uttar Pradesh and the society at large. I feel elated at the achievements of the whole year and hope for a successful future as well.

Er. Pankaj Agarwal
Chancellor

Pro-Chancellor's Message

Our ability to transform lives and society underpins who we are and what we do. We have built our reputation on delivering high quality teaching that transforms lives, and powerful partnerships that create new possibilities, transforming the way we approach and tackle the challenges that face us locally and globally. Students form an integral part of this process and a democratically elected student senate assists in taking necessary and timely action for pursuing our quest for excellence. The University focuses on interdisciplinary research, promotes learning with industry connect and is on its way to developing productive association with international partners. This year has been a great achievement and strives for landmarks in the form of a two-day International Workshop on 'Cross-Cultural Communication by the Department of Humanities and Social Sciences. Through NSS and NCC our students have devoted themselves to community and national services while events like "SPICMACEY", "Anubhuti", "Harmony", give them opportunity for holistic development. Our curriculum has ensured that our students mature into global citizens and are competent in adapting themselves to meet career challenges in an increasingly volatile and fast paced world. Various cultural and academic events organized at SRMU provide a huge base to the students to excel in every field. We hope to move from strength to strength by following rigorous quality norms in the year ahead and crave a place of eminence in the society. We hope to move forward establishing benchmarks in academic excellence and holistic grooming to help our students to meet the career challenges in the increasingly globalized economic conditions.

Er. Pooja Agarwal
Pro-Chancellor

Vice-Chancellor's Message

A strong believer and practitioner of the dictum “Knowledge is Power”, Shri Ramswaroop Memorial University has been on the path of delivering quality education by developing the young human resources with ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. The Annual Report displays all round achievement. As we look back to our academic journey, we find many milestones that have been achieved in establishing SRMU as a citadel of knowledge. All the programs offered by Shri Ramswaroop Memorial University follow the Choice Based Credit System (CBCS) with Outcome Based Approach. We lay strong emphasis on research so that the students gain higher technical and scientific competence, to have an edge over others.

Students are our brand ambassadors and for their holistic development the university not only provides a vibrant and positive ambience but a well-equipped library, clubs, sports and extracurricular activities. Promoting the intellectual development of our faculty is also our prime area of concern and they are constantly being motivated to attend conferences, workshops and faculty development programs in India and abroad. Our students at SRMU are provided excellent placement opportunities in reputed organizations. Student-led clubs, social, cultural, and sports activities enliven the campus and prepare you to be mentally and physically fit, so necessary in high demanding job profiles.

Prof. (Dr.) A.K. Singh

Vice-Chancellor

Preface

“Education is not the answer to the question. Education is the means to the answer to all questions.”

It gives me great pleasure to furnish you with this annual report of the University for the academic session 2022-23. This report provides a brief overview of the university's major activities and achievements for the academic year 2022- 2023, as well as a snapshot of the recent institutional developments and new priorities that will shape the University for the future. The report is a true reflection of SRMU’s strong foundation, growing performance and insights of its diverse intellectual assets. The university is currently in the 10th year of its operations and has shown substantial growth since the inception.

The University sincerely acknowledges the guidance and support given by the Hon'ble Chancellor, Er. Pankaj Agarwal and Pro Chancellor Er. Pooja Agarwal, Shri Ramswaroop Memorial University for their inspiring and dynamic leadership to implement various initiatives. Prof. (Dr.) A.K. Singh, Vice Chancellor, Shri Ramswaroop Memorial University played a key role during the review process by the National Assessment and Accreditation Council (NAAC), introducing new academic programmes and successful conduct of the various academic/administrative activities of the University.

Our vision, values and strategy belong to every member of the university, and we each have a responsibility to deliver on them. SRMU has always been a distinctive university. The university attracts excellent faculties and students and is successfully producing employable graduates.

The University's passion lies in its diversity, blended with the collaborative and multidisciplinary approach used at the undergraduate and postgraduate level. Research and allied activities have taken the centre stage for the university in its pursuit for academic excellence.

Rigorous steps have been taken to boost the student involvement both in the classroom and beyond. The increasing enrolments for the various programmes are the reflection of increasing appreciation for the value of the education imparted at the University.

Society considers us as creators of new knowledge and new ideas and we also care for all the societal needs including placements, community engagements, welfare and cultural awareness exercises.

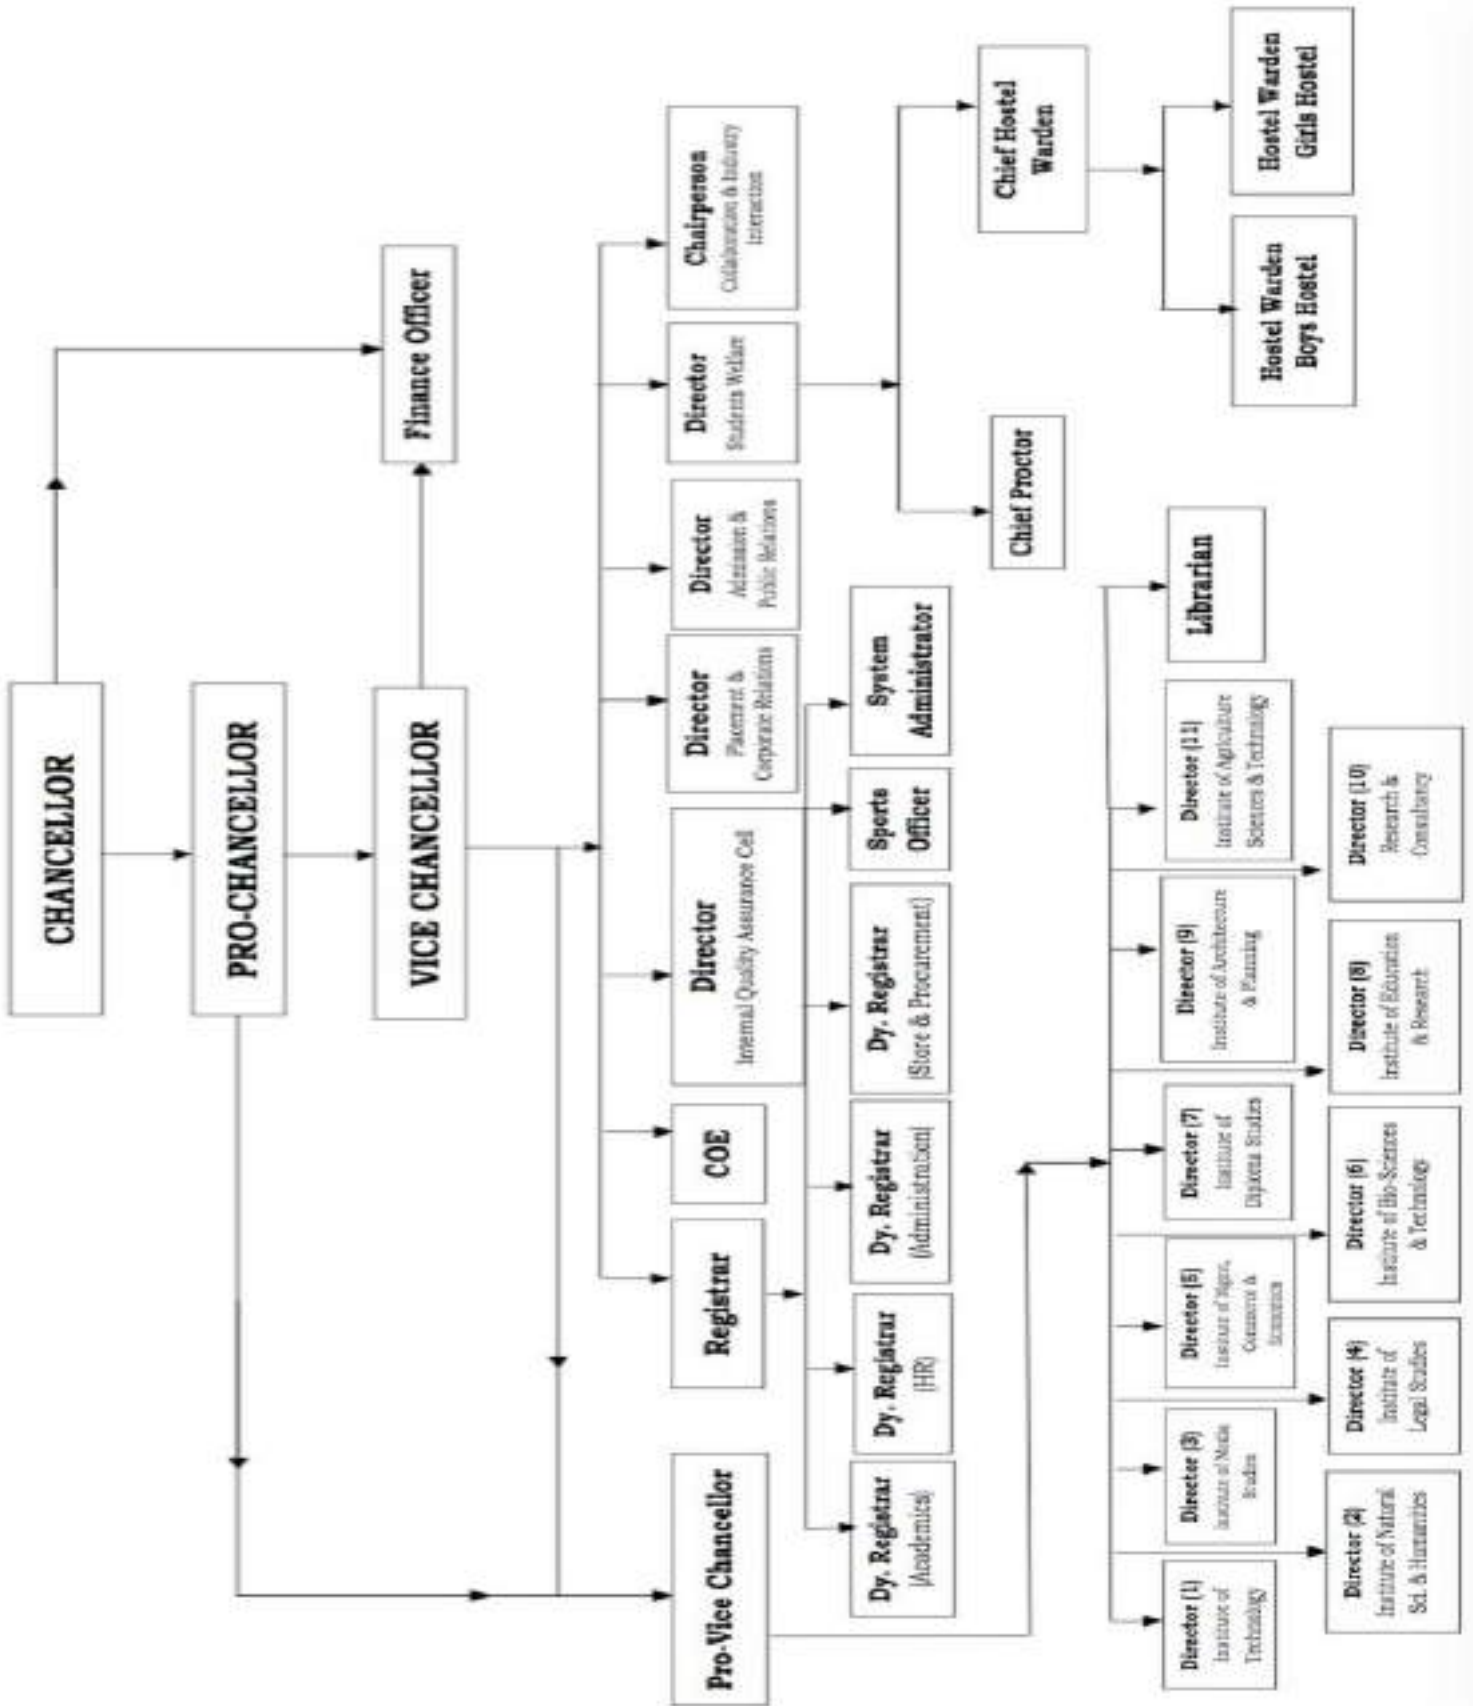

The University would like to thank all the members of its statutory bodies of the University, the Directors, Deans, HODs, faculty, and staff for their guidance and support. With their continuous involvement, we plan to carry this momentum through ambitious endeavours in the years to come.

Jai Hind!

Prof. V. K. Singh

Faculty of Civil Engineering

“Faculty of Civil Engineering” is a conglomeration of academicians, scientists, researchers, consultants and experts from the various fields of civil engineering that include Environmental Engineering, Structural Engineering, Transportation Engineering, Geotechnical Engineering and Water Resource Engineering. A student centric approach combined with research driven atmosphere are some ethics which make the department work towards innovation and consistent betterment. Regular conduction of seminars, workshops, site visits, trainings and various other value addition courses hold a relevant weightage in the working of the Faculty of Civil Engineering. The department offers courses like B.Tech in Civil Engineering, M.Tech in Environmental Engineering and Structural Engineering, M.Sc in Environmental Sciences and PhD in Environmental Engineering and Structural Engineering. The PhD scholars are engaged in active research work with publications in reputed journals.

The Faculty of Civil Engineering has well-equipped labs, well-structured semester wise curriculum supported by practical labs in all the core theory subjects. Syllabus is designed from practical and competitive point of view and to meet the demand of Industry. Research oriented subjects are introduced for P.G. Students and access to online journals is available. The evaluation process is continuously monitored and is transparent, where all academic related activities are updated on ERP system. Moreover, the department has national and international collaborations with various organizations and is actively engaged in consultancy work for a variety of projects thereby promoting an innovation driven working methodology. Regular participation in conferences across the globe by the faculty members enhances the requisites of a research-oriented study environment with excellent laboratory availabilities for their assistance.

The achievement of students in co-curricular activities including cultural events, sports and technical events are noteworthy and acknowledgeable. The placement of students in various departments at national and international platforms with high percentage of students qualifying for GATE and other technical and non-technical exams forms a strong foundation of Faculty of Civil Engineering. FoCE is continuously involved in upgrading the teaching-learning process and environment by implementing innovative teaching learning methods, motivating faculty members and students to publish quality research work, to develop working models/prototypes based on the technical skills acquired in the entire course span.

Faculty of Mechanical Engineering

The faculty of Mechanical Engineering started at the initiation of university i.e in the year 2012. This is one of the biggest faculty in university in term of infrastructure. The main objective of department is to prepare students for the broad range of career choices in the field of mechanical engineering & to transform bright students into technically skilled & industry-oriented engineers. The faculty has well established laboratory which helps in both teaching & research activities. The thrust area of department is design, thermal, production, industrial engineering & electric vehicle.

List of Programs as running in 2021-22

These are the following programmes which are running in the department- B. Tech, Integrated B.Tech+ M.Tech , Integrated B.Tech + MBA, M.Tech (R+P), PhD.

In the session of 2021-22 no PhD has been awarded in the department but two students have enrolled in the PhD programme under the supervision of dean of the department Dr. Rajesh Porwal.

Outstanding performance of the students (Academic/curricular/and co-curricular)

Pass percentage of students in final year exam was outstanding, 34 students appeared in final year examination at UG level out of which 32 had passed the exam with pass percentage of 94.12%.

Placement details:

The campus placement 10 students in various companies took place at an average package of 2.20 lakh while off campus placement of 6 students took place at an average package of 4.5 lakh.

Students qualifying any National/International/GATE/NET/GRE/SLET etc

Most of the students got placed while some students are still preparing for government job which seems to be less interested in GATE/ NET exams so no students had cleared these exams.

MoU Activities:

A MoU was signed between the department & Imperial Society of Innovative Engineers (ISIE) Noida on 24/02/2021 to start a specialization programme on Electric Vehicle in which 3 students has enrolled.

Organized any seminar/workshop/conferences

Seven national seminars have been conducted by the department on various dates by various faculty members under the co-ordination of dean FoME.

Achievements of faculty members (Research/Academic/ curricular/and co-curricular)

Faculty has presented 1 paper at international level & attended 27 seminars & workshop at national level while 3 papers has been published.

Photographs (Highlights of the department) jpeg file as separate attachment.

Department of Electronics and communication Engineering

Department of Electronics and communication Engineering (DECE) is established in 2012. DECE is indulged in high quality teaching-learning process by delivering quality education to the enrolled students in B.Tech., M.Tech. (Regular & Part Time) & Ph.D through it's well established Labs, structured courses, and highly qualified faculty members from IIT(s) and NIT(s). Faculty members are involved in various academic and research activities throughout the year in terms of publications of Research Papers, Organizing International conferences, Filing Patents. DECE has established IEEE Student Branch to promote IEEE activities.

Department of Electrical Engineering

The department of Electrical Engineering was established in 2012. Currently department is offering undergraduate, post graduate and doctorate programmes in various specialized disciplines of electrical engineering such as Power System, Power Electronics and Renewable Energy. Electric Vehicle field is an emerging field & field of the near future. Department has started Electric Vehicle and Electrical & Computer Engineering specialization programme for B.Tech/M.Tech students. Students would have opportunity to pursue additional specialization in Electric Vehicles along with existing B. Tech courses in association with Morris Garages (MG) motors & ISIE. Programme is designed by industry experts with prime focus on practical industrial skill development towards E-Mobility. The department of Electrical Engineering has well qualified faculty members and most faculty members hold PG/doctorate from reputed institutes like IIT Delhi, IIT Roorkee, IT BHU and NIT Allahabad to name a few. Faculty members have specialization in diverse fields of Electrical Engineering such as Power systems, Electrical Machines, Electrical Drives, Control systems, Power Quality, Renewable Energy & Electric Vehicles. The faculty members have published significant number of research articles in International Journals, IEEE Transactions and in the Proceedings of various International and National Seminars, Conferences, Symposia and Workshops. The faculty members have also published several book chapters and prepared online teaching aid. The theoretical knowledge is further supplemented by well-equipped laboratories. Department is equipped with latest state of art laboratories for electrical machines, power electronics, electric drives, power systems, control systems, micro-processor & microcontroller, electrical engineering, measurements and instrumentation and renewable energy with excellent computing facilities such as Scilab, Labview & PLC/SCADA software.

List of Programs as running in 2021-22

- B.Tech. (Specialization in Power System, Power Electronics & Renewable Energy and Electric Vehicle)
- M.Tech (Power Electronics & Drives, Renewable Energy, Power System, Electric Vehicle)
- PhD

List of Ph.D. Awarded

Two PhD degree have been awarded by the department in the session 21-22

- i) Mr. Shubham Mishra (201310103000001), Thesis title “Design modeling and analysis of improved power quality converters for Air-conditioning system”.
- ii) Mr. Apoorva Srivastava (201610103000002), Thesis title “Voltage and Power Flow Control of Grid Connected Wind Energy Conversion System”.

Outstanding performance of the students (Academic/curricular/and co-curricular)

- i) Mr. Shashank Kumar (201910103110701)

Placement details

- i) Mr. Shashank Kumar has been placed in Amara Raja Batteries Ltd.

MoU Activities

The department has signed following two MOUs in the session 2021-22:

- i) MOU with L & T Electrical and Automation, Switchgear Training Centre Lucknow-226008
- ii) MOU with TATA Motors Lucknow

Organized any seminar/workshop/conferences

- i) A two day seminar has been organized on “Electric Vehicle” in the department during 29-30 April 2022.

Achievements of faculty members (Research/Academic/ curricular/and co-curricular)

- i) 3 International Journals and one book chapter have been published in the session 21-22 from the department.
- ii) Dr. Sunil Kr. Singh has attended and presented his research paper in 3rd Electric Power & Renewable Energy Conference 27-29 May 2022 at National Institute of Technology Jamshedpur, India.

Institute of Bio-Science & Technology

The Faculty of Biosciences (FoBS)

The Faculty of Biosciences (FoBS) at Shri Ramswaroop Memorial University (SRMU) was established in 2015 with B Sc (Hons), M Sc and M Phil programmes in Biotechnology. The Faculty has good research potential and published research article in high impact journals. Faculty regularly organized conferences, seminars, workshops and guest lectures by eminent scientists and academicians. The labs are well equipped. The department currently consists of thirteen regular faculty members, and 20 research fellows working in different areas of biotechnology and translational research. Our industrial collaborations bridges the gap between the conventional PhD and shaping professionals for industry, leading them to the opportunities for good jobs in academia, industry and health-care.

Institute of Bioscience & Technology (IBST)

The Institute of Bioscience & Technology (IBST) was started as a Faculty of Biotechnology (FoBT) under the aegis of the Institute of Engineering & Technology in 2012 with the vision to impart remarkable knowledge of Biotechnology, and its applications to create a vast pool of scientific personnel with expertise in the field of Biotechnology. After two successful years, it was elevated to the Institute of Bio-science & Technology. Currently, IBST has two faculties, FOBT and FOBS, the FOBT is offering B. Tech, M. Tech. and Ph. D in Biotechnology. The department is flourishing with good teaching, and research facilities, it carries out collaborative research with other departments within the Institute as well as other local, national, and international institutes.

Highlights

- Industry-oriented subjects especially electives are included in the curriculum to enable the students to develop skills related to the industry
- Endless conscious efforts have been made to cope with and amend the syllabus of all the programs to integrate relevant laboratory programs and significant research projects of variable duration.
- Faculties at the department are having doctoral and post-doctoral experience with good research publications.
- Good laboratory facilities are available
- Focuses on experimental learning of students.
- Fundamental and translational research to develop technologies to benefit society (Societal impact).

सम्मेलन में स्तन कैंसर के बारे में किया जागरूक

लखनऊ : श्री रामस्वरूप मेमोरियल विश्वविद्यालय द्वारा इंस्टीट्यूट आफ बायोसाइंसेज एंड टेक्नोलॉजी द्वारा कैंसर जीव विज्ञान रोकथाम और चिकित्सा विषय पर दो दिवसीय अंतरराष्ट्रीय सम्मेलन हुआ। सम्मेलन में कुलाधिपति पंकज अग्रवाल, उप कुलाधिपति पूजा अग्रवाल, डा. एके सिंह व डा. सुनील सिंह ने स्वागत भाषण दिया। संयोजक डा. ताबिश किदवाई ने सम्मेलन के उद्देश्य के बारे में बताया। मुख्य अतिथि एसजीपीजीआई के मुख्य चिकित्सा अधीक्षक प्रो. गौरव अग्रवाल थे। इस मौके पर उन्होंने कैंसर और उसके सामान्य कारणों एवं विशेष रूप से स्तन कैंसर के बारे में बताया। उद्घाटन सत्र के दौरान सम्मेलन की सार-पुस्तिका का विमोचन हुआ। सत्र की अध्यक्षता किंग सऊदी विश्वविद्यालय की प्रो. निकहत जमाल सिद्दीकी ने की। (वि.)

Institute of Natural Science & Humanities

Faculty of Chemical Sciences

The Faculty of Chemical Sciences (FoCH) was established under the aegis of the Institute of Natural Sciences and Humanities (INSH) in 2012, teaching basic chemistry in all the engineering programs. Thereafter, in 2013, it started offering B.Sc. (Hons.) and Ph.D program in Chemistry while in 2015, M.Sc. program in Chemistry has been started.

Our programs, both at the undergraduate and postgraduate levels, are designed keeping in view both the fundamental concepts, and these revolutionary technologies. The curricula include industrial visits, seminars, projects and dissertations. The chemistry labs are equipped with state-of-the-art equipment and instruments, and the curricula lays due emphasis on practicals.

To further enrich the academic and research experience of the students and teachers, alike, the faculty organizes conferences, workshops and webinars, and has signed MoUs with organizations of repute. We also invite prominent personalities as guest speakers during seminars and conferences.

The faculty members are from prestigious national and international institutions with rich and diverse research and teaching experience. They have published in high-impact peer-reviewed journals, and are actively engaged in research activities. The faculty also has many patents published to their credits.

Organized Guest Lectures

1. On 23, Dec. 2021 Dr. Anjani Kumar Tiwari delivered a lecture on topic “Nuclear Magnetic Resonance Spectroscopy”.
2. On 23, Dec. 2021, Prof. Abha Bishnoi delivered a lecture on topic Natural Product
3. On 09, April 2022, Mr. Sonu Kumar delivered a lecture on topic Heterocyclic Chemistry
4. On 02, May 2022, Dr. S. S. Patel delivered a lecture on topic Medicine in the ancient times and Ayurvedic
5. On 14, May 2022, Dr. Dinesh Kumar delivered a lecture on topic NMR Spectroscopy for Biomarker Discovery and Therapeutic Development
6. On 15, Dec. 2021 Dr. Rajdip Dey organized A International webinar on “The Carbon Which We Do Not Know”
7. On 16, Dec. 2021 Dr. Sreenivasulu Peta organized A National webinar on “Application of Porous Carbon Composite in Catalysis”
8. On 28 Feb,2022 National Science Day is organized by Dr. Krishna Srivastava

Achievements of faculty members (Research/Academic/ curricular/and co-curricular)

1. **Dr. Shaheen Fatma** completed **Refresher course** in Chemical Sciences from **1/2/2022 to 15/2/2022** Organized by Teaching Learning Centre, Ramanujan College, University of Delhi, In collaboration with IQAC, Miranda House, University of Delhi, under the aegis of Ministry of Education, Pandit Madan Mohan Malaviya National Mission on teachers and Teaching
2. **Dr. Shaheen Fatma** completed **4-Week Induction/Orientation Programme** for “Faculty in Universities/Colleges/Institutes of Higher Education from **20/06/2022 to 19/07/2022** Organized by Teaching Learning Centre, Ramanujan College University of Delhi under the aegis of Ministry of Education Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching
3. **Dr. Shaheen Fatma** completed Online Two Weeks PDP on **Relevance and Protection of Intellectual Property Rights** from **8.11.2021 to 22.11.2021** organized by Integral University, Lucknow
4. **Dr. Shaheen Fatma** completed Online Two Weeks **PDP** programme on **Incorporating the impact of Engineering solutions on Society** from **15/11/2021 to 29/11/2021** organized by Integral University, Lucknow
5. **Dr. Shaheen Fatma** completed One Week **FDP** on **Blended Learning: Concept and Tools** from **21 May 2022 to 27 May 2022** organized by Teaching Learning Centre, Ramanujan College, University of Delhi, In collaboration with IQAC, Miranda House, University of Delhi, under the aegis of Ministry of Education, Pandit Madan Mohan Malaviya National Mission on teachers and Teaching

6. **Dr. Shaheen Fatma** completed One Week **FDP on Academic Research Writing** from **4 june2022 to 10 june 2022** organized by Teaching Learning Centre, Ramanujan College, University of Delhi, In collaboration with IQAC, Miranda House, University of Delhi, under the aegis of Ministry of Education, Pandit Madan Mohan Malaviya National Mission on teachers and Teaching
7. **Dr. Shaheen Fatma** completed One Week **FDP on Research Methodology** from **2 May 2022 to 7 May 2022** organized by Amar Sewa Mandal, Kamla Nehru Mahavidyalaya, Nagpur, Maharashtra
8. **Dr. Shaheen Fatma** completed **FDP on ICT tools for Effective Teaching and Learning** from **23 May 2022 to 28 May 2022** organized by Amar Sewa Mandal, Kamla Nehru Mahavidyalaya, Nagpur, Maharashtra
9. **Dr. Shaheen Fatma** completed 8 Weeks NPTEL, AICTE **FDP** programme on **Pericyclic Reactions and Photochemistry** from **21 Feb 2022 to 15 April 2022** Organized by NPTEL, AICTE, funded by MOE, Government of India and secured highest marks.
10. **Dr. Shaheen Fatma** completed **FDP on Issues, reforms and related guidelines for Higher Education Institutes"** from **16-08-2021 to 21-08-2021** Organized by International quality Assurance Cell, SRMU
11. **Dr. Shaheen Fatma** completed **Faculty Development Programme on Pedagogical Skills** from **27-06-2022 to 02-07-2022** Organized by Institute of Education and Research, Shri Ramswaroop Memorial University
12. **Dr. Shaheen Fatma** Participated in International Webinar on Empowering Diversity in Science on **16th February 2022** organized by Department of Chemistry, Kamla Nehru Mahavidyalaya, Nagpur, Maharashtra, **Association of Chemistry Teachers, ACT Mumbai C/o Homi Bhaba Centre for Science Education, TIFR Mumbai, and Kalasalingam Academy of Research and Education in Collaboration with IUPAC, Global Women's Breakfast 2022.**
13. **Dr. Shaheen Fatma** Participated in **International Webinar on Chemistry Education (IWCE-2021)** from **4th -5th February 2022** organized by Department of Chemistry, Kamla Nehru Mahavidyalaya, Nagpur, Maharashtra, in Association with **Association of Chemistry Teachers, ACT Mumbai C/o Homi Bhaba Centre for Science Education, TIFR Mumbai.**
14. **Dr. Shaheen Fatma** Participated in one week national e-Workshop on Innovation and Intellectual Property Rights organized by innovative Technology Enabling Centre (in-Tech), CSIR-IMMT, Bhubaneshwar during **13 June-18 June 2022**
15. **Dr. Shaheen Fatma** Participated In International Conference on New Horizons and Trends in Chemical Sciences (ICNHTCS-2022) organized by Department of Chemistry, Dada Ramchand Bakhru Sindhu Mahavidyalaya Nagpur, in Association with Indian Society of Analytical Scientist, Nagpur Chapter, during **25th-26 March 2022**
16. **Dr. Shaheen Fatma** Participated in IP awareness/ Training Programme under national Intellectual Property mission on **4 March 2022**
17. **Dr. Krishna Srivastava** completed **FDP on Issues, reforms and related guidelines for Higher**

Education Institutes" from **16-08-2021 to 21-08-2021** Organized by International quality Assurance Cell, SRMU

18. Dr. Shailesh Kumar Mishra completed **FDP on Issues, reforms and related guidelines for Higher Education Institutes"** from **16-08-2021 to 21-08-2021** Organized by International quality Assurance Cell, SRMU

19. Dr. Shailesh Kumar Mishra completed **Faculty Development Programme on Pedagogical Skills** from **27-06-2022 to 02-07-2022** Organized by Institute of Education and Research, Shri Ramswaroop Memorial University

Mr. Ram Prakash Tiwari, Faculty of Chemical Sciences, INSH, received the Young Researcher Award-2021-22, for her contribution in research activity during the session 2021-22.

Faculty of Physical Sciences

The Faculty of Physical Sciences was established with the goal of imparting quality education and training in the field of Physical Sciences and to provide students with a strong foundation in this area of study. The faculty offers undergraduate, postgraduate and doctoral programs in the field of Physical Sciences. The faculty has a highly qualified and experienced faculties dedicated to providing students with the best possible education and training, and are committed to fostering an environment of academic excellence. The faculty is equipped with state-of-the-art laboratory facilities, which provide students with hands-on experience in various aspects of Physical Sciences.

List of Programs as running in 2021-22

- a) B.Sc (Hons.) Physics
- b) M.Sc. Physics
- c) Ph.D

Organized any seminar/workshop/conferences

The Faculty of Physical Sciences provides a rich and dynamic environment for students to engage in a variety of activities that enhance their educational and personal growth. In the academic session 2021-22, the faculty organized several guest lectures from eminent persons from academia and industry.

Faculty of Physical Sciences organized online lectures by Dr. Sudip K Haldhar from SRM University Haryana on 23rd May, 2022 in “the Frontiers of Physics Lecture Series” and Dr. AnubhavRaghav from The NorthCap University Gurugram on 10th May, 2022 in “the Lecture Series on Renewable Energy” in collaboration with Physical Sciences Consultorium.

On 20th May, 2022, the Faculty of Physical Sciences hosted Dr. Praveen Saxena, Founding Director, Next Tech Lab Pvt. Ltd in the university. Dr. P Saxena delivered a very interesting and engaging talk on 'New Era of Atomistic TNL TCAD Tools' and interacted with undergraduate science and technology students of University. He also visited Centre of Innovation, Incubation & Entrepreneurship in the University. During the faculty interaction, Dr. Saxena discussed about 'Skilled Manpower Requirement in Indian Semiconductor Mission' and stressed on needs of industry and role of academia in fulfilling it.

The faculty hosted Dr. KapilDev Patel, Senior Research Associate, University of Bristol, UK on 25th April, 2022 in SRMU to deliver a lecture on “Biomaterials in therapy and tissue engineering”.

Achievements of faculty members (Research/Academic/curricular/and co-curricular)

Our Faculty members Dr. DivyanshiSrivastava and Dr. Gulab Singh Maurya published research papers.

Faculty of Mathematical and Statistical Sciences

The soul of our department “Faculty of Mathematical and Statistical Sciences” (FOMSS) is unique in nature for its Interdisciplinary, UG and PG Programs. This is one of the important department of INSH, flourishing under the guidance of our Director Prof. (Dr.) B.M. Dixit. Faculty followed work under guidance of Dean Prof. (Dr.) V.N. Pathak. Faculties are from renowned Universities like BHU, Allahabad Univ., Lucknow University and also are from IITK, NIIT etc. Some faculty member have International work experience also. Department have different committees and club for students.

It is a fully equipped department in addition to a rigorous curriculum; the department offers a vibrant environment for students. The course structure of all courses of the department ensures high employability of students and every year course structure used to get updated under the supervision of external experts (Professors & senior academicians of different Universities). Department provides knowledge of many softwares like MATLAB, LATEX, MATHEMATICA, SCILAB etc. The faculties of department involve in all over university programs, they take classes of B.Tech, B.Com, MBA, Pharmacy, Agriculture, M.Sc. Physics, M.Sc. Chemistry, B.A. Economics, BCA, MCA, B.Sc. (IT) etc. Department also have a wide variety of value-added courses to help our students excel in all necessary areas.

List of Programs as running in 2021-22:

1. Bachelor of Sciences (Honours) Mathematics.
2. Masters of Science (Mathematics).
3. Doctor of Philosophy (Ph.D.) in Mathematics (Pure and Applied).

List of Ph.D. Awarded (if any):

1.	Vinod Kumar Awarded: 17 August 2021	Dr. Prachi Srivastava	A study on certain subclasses of univalent and multivalent analytic functions in geometric function theory of a complex variable.	Reg. No. 201410203000003

- **Workshop on Vedic Ganit:** Introduction to Vedic Ganit February 21-22,2022

Achievements of faculty members (Research/Academic/curricular/and co-curricular):

1) Dr. Dilip Kumar Jaiswal:

- a) Published a paper entitled "Analytical solution for transport of pollutant from time-dependent locations along groundwater in Journal of Hydrology (Elsevier).
- b) Participated in the Guru Dakshta (Orientation Programme/Faculty Induction Programme) from 14th June, 2022 to 11th July, 2022 organized by University of Lucknow, UGC sponsored Guru Dakshta (OP/Faculty Induction Programme).
- c) Delivered a lecture on 'Value addition in students' in FDP organized by Shri Ramswaroop Memorial University, July 11- 16, 2022
- d) Appointed as a reviewer for Mathematical Reviewes/MathScinet, American Mathematical Society.

2) Research papers of following faculty members:

- 1) Dr.V. N. Pathak
- 2) Dr. AnuragAgnihotri
- 3) Dr. Dilip Kumar Jaiswal
- 4) Dr. Vimlesh

Department of Humanities and Social Sciences

The Department of Humanities and Social Sciences is a versatile department with highly qualified and experienced faculty members. The department focuses on advancing top-notch learning and research wherein the academic staff is committed to helping students develop high-quality learning skills that will help them succeed in a variety of competitive exams, including those for the UPSC, PSC, UGC-NET, and JRF, among others. The department takes pride in organizing various guest lectures, training workshops, literary festivals, socio-economic development programs, and national-international conferences on issues related to global literature, culture, polity, personality development, and social thinking.

Institute of Architecture and Planning

The institute aims in producing future architects and Interior Designers who are able to handle real life situations in a better and effective way. This is achieved by creating a value proposition based on practical knowledge and skills imparted by professional architects in addition to providing access to latest technology. Indian culture and international exposure both will be given to make them understand the rich structural base of our country and the current global expertise, a blend of both will make them professionals of international competence.

The Institute of Architecture and Planning believes in the principle of '**Guru Kumhar, Shishya Kumbh hai, gadi gadi kadhe khot, andar hath sahaer de, bahar bahe chot**' Inspiring the worldly creatures towards the sunrise, Shiromani Kabirdasji says- Guru is a potter and a disciple is like a clay pot. Just as to make the pit beautiful, put his hand inside and beats it from outside, similarly by keeping the disciple in a strict discipline, by keeping the feeling of love from within, removing the evil of the disciple and makes him honorable in the world. Thereby, to inspire, involve and transform the student for achieving theoretical as well as practical knowledge. Observation, perception and visualization are the core tools to cultivate young minds towards imagination and creativity.

DEPARTMENT OF EXTENSION/COMMUNITY SERVICES

Department of Extensions/Community services has always felt pride for bringing about the much-needed change in the society. We at SRMU believe that while we are on the path of achieving excellence, we should always try giving back to the society based on our caliber and abilities. As a part of this wonderful initiative time and again various activities are organized as well. Some of these successfully conducted activities are as mentioned below:

Initiatives

- **PRADHAN MANTRI KAUSHAL YOJANA**: In implementation of this scheme a workshop was organized by Department of extension/community services and Business Consultancy Club along with **Jute for Life**, following which an MoU was signed with organization as well.
- **HAR GHAR TIRANGA**: As government of India issued Har Ghar Tiranga drive, SRMU in no time also joint the wonderful initiative. As a part of this mission flags were distributed in nearby villages along with beautiful display of street play and other activities.
- **AZADI KA AMRUT MAHOTSAV**: To celebrate and commemorate 75 years of Independence , the initiative of Aazadi ka Amrut Mahotsav was launched by the Indian government. As a result, various events were conducted by the clubs both in online and offline mode.
- **1090 AWARENESS DRIVE**:-All the above programmes were organized with the aim of providing awareness to the people of the university as well as nearby village area. Simultaneously the department is facilitating in providing free health checkups, diet plans but most importantly making the people aware about Hygiene, Pre-marriage Counseling etc. and thus discharging its obligation to the community.
- ***Several self-help groups, NGOs and local administration*** have joined hands to ensure that masks which is a very essential means of protection from the infection must reach everyone in the country.
- ***Likewise, session was organized for NSS/NCC/1090 AND WOMENS OF NEARBY ADOPTED VILLAGES, Event ON PRE-POST MENOPAUSE and SESSION ON REPRODUCTIVE HEALTH***
- The full day event was addressed by Dr. Deepa Kapoor (Sr. Gynecologist, SGPGI). She emphasized to educate girls and women with a holistic and engaging curriculum. Instead of just focusing on menstrual hygiene, it should start by creating an understanding of the menstruation process and its role in reproduction. Girls and women should be made to understand that menstruation is a normal biological process that brings in both physical and emotional changes; there should be no shame attached to it.

- Hygiene is important, but girls need to understand what is happening in their bodies. Menstruation is a natural process but it is rarely talked about because of cultural taboos. Menstrual hygiene – how to manage menstruation safely and with dignity – has also been largely neglected by the water, sanitation and hygiene (WASH) sector and others focusing on reproductive health and education. As a result, the menstrual hygiene challenges faced by women and girls are made even more difficult, and millions continue to be denied their rights to WASH, health, education, and dignity and gender equity. The sessions in this guide explores the key issues and components of menstrual hygiene management (MHM).
- **MOU signed with JUTE FOR LIFE company**

National Cadet Corps (NCC)

It is open to school and college students on voluntary basis. National Cadet Corps is a Tri-Services Organization, comprising the Army, Navy and Air Force, engaged in grooming the youth of the country into disciplined and patriotic citizens. The National Cadet Corps in India is a voluntary organization, which recruits cadets from High Schools, Colleges and Universities all over India. The Cadets are given basic military training in small arms and parades. The officers and cadets have no liability for active military service once they complete their course but are given preference over normal candidates during selections based on the achievements in the corps.

The SRMU, for the welfare of the students intended to establish the NCC Senior Wings for girls in the University. The requisite application/ expression of interest was sent to Commanding Officer, 20 UP Girl's Battalion, Lucknow on 04.04.14. A team of NCC carried out physical inspection in the month of June and the consent of 55 Girls cadets from the Commanding Officer was received on **20th June 2014**. Which is extend to 65 on 26.09.2019.

The SRMU, for the welfare of the students intended to establish the NCC Senior Division for boys in the University. The requisite application/ expression of interest was sent to Commanding Officer, 63 UP Battalion, Lucknow. A team of NCC carried out physical inspection in the month of June and the consent of 80 Boys cadets from the Commanding Officer was received on **31th Oct 2020**.

In every year in the month of August a team of NCC came in the University for examination and selection procedure for first year. The University organizes regular parade on every Wednesday between 2:00pm to 4:00pm. It is compulsory to attend 40 parades per year each cadet. An Army Instructor comes every Wednesday from 20 UP Girl's Battalion, Lucknow to train the cadets. The instructor takes practical as well as theory class (environmental studies, First aid, Self defence, history of NCC etc.).

The University organizes regular parade on every Saturday between 12:00pm to 4:30pm. It is compulsory to attend 40 parades per year each cadet. An Army Instructor comes every Wednesday from 20 UP Girl's Battalion or 63 UP BN, Lucknow to train the cadets. The instructor takes practical and ANOtakestheory class (like Leadership, Personality Development, Environmental Studies, First aid, Self defence, history of NCC etc.). Other then regular parade, cadets are required to attend atleast 3 camps to complete the course. Yoga day special camp is compulsory for all cadets which is not included in the above-mentioned camps. While in the 1st year only training is imparted, in the 2nd year the cadets go for 'B' certificate exam including theory as well as practical exam. In the 3rd year they go for 'C' certificate exam where cadets have to give theory as well as practical exam again to pass. Other than parade, theory classes, shooting, and camp cadets also take part in following activities:
