Action taken report on Students, Faculty, Alumni and Employers feedback

Session: 2019-20

The university collected the feedback on curriculum aspects and courses from various stakeholders i.e. students, faculty, alumni and employers for the academic session 2019-20. These feedbacks were collected department/institute wise. After the feedback is collected, it was analysed and action taken report was prepared by the institution for preparing a comprehensive report of the over-all university.

Based on the feedback, following action taken have been noted:

Issue 1: Students felt the need for more rigour on job-oriented courses, training for facing interviews during campus selection and expert talks by industrialists.

Action Taken:

- Number of Guest Talks/Expert Talks specially from industry is being increased every semester so that more exposure can be given to the students.
- Extra sessions are being organized to impart skills that are required to face interviews.

Issue 2: Apart from class room face to face teaching, video links of quality online resources should be provided for effective learning.

Action Taken: Good quality video links and other learning resources are being shared with the students to enhance their self-learning.

Issue 3: Students need to be more acquaint with their understanding of core subjects and latest trends in Industry.

Action Taken: With the help of concept notes learning and assessments are being dealt with more rigour.

Issue 4: Elective based study should be provided.

Action Taken: CBCS pattern has become an integral part of the curriculum in the University, which provides the option for introducing more electives every year based on market requirements.

Issue 5: Requirement of e-library resources was felt, specially during the lockdown due to COVID19.

Action Taken: The suggested modifications are made. All information regarding different platforms like Indian Digital Library, SWAYAM, NPTEL, UPHE etc. were assisted to meet the requirements

Remarks: On the basis of above observations, appropriate actions were taken by the departments to meet the expectations of various stakeholders. This overall process of feed-back and action taken had helped the university in enriching the curriculum as per stakeholders' expectation.
